YOU SAY YOU LOVE ME

MUSIC PK KERÄNEN, LEIJA LAUTAMAJA
LYRICS PK KERÄNEN, LEIJA LAUTAMAJA, JUSSI K. NIEMELÄ

you say you love me but we don't even hug
you say you love me you say you say love me
you say you love me and i like to hear that
you say you love me you say you say love me me

you say you love me but i never know why
you say you love me yet it deepens the sky
you say you love me but we don't even dance
you say you love me you say love me me me me

you and me we had a dream
never knew how to keep it clean
you and me a dream team
of chicken wings and hoovering

you say you love me but we don't even kiss
you say you love me i don't know how to miss
you say you love me when i sleep next to you
you say you love me you say you say love me

you say you love me i say i love you too
you say you love me there are mountains to move
you say you love me you but how do we do
you say you love me you say love me me me me

you and me we had a dream...

life goes by

you and me we had a dream...

DRESS TO KILL

FI-9PF-25-00061

MUSIC PK KERÄNEN, LEIJA LAUTAMAJA, ASKO KERÄNEN, JARI KNUUTINEN,
VALTTERI LAURELL PÖYHÖNEN
LYRICS PK KERÄNEN, LEIJA LAUTAMAJA, OLIVER WHITEHEAD, ASKO KERÄNEN

well they gave me a chance
how could i say no
against my will
i'm stranger at devil's door

i gotta dance for them
in some hideaway
i dance for them
and hope to get away

close to my heart
you will find the key
in my day of nights
will you care for me

so i'm stuck to the path
i wouldn't let me go
it made me stay
a stranger at the devil's door

i gotta dance for them
in some hideaway
i dance for them
no hope to get away

close to my heart
you will find the key
in my day of nights
will you care for me

step down to the cold outside
it's time to do or die
this time we'll make it right
i wish i heard you calling
tonight is the only chance
to see me dress to kill and dance
tonight the only chance
i hope you keep on calling

ALL I WANT IS YOU
(TELL ME THAT IT'S TRUE)

MUSIC PK KERÄNEN, LEIJA LAUTAMAJA
LYRICS PK KERÄNEN, LEIJA LAUTAMAJA, JUSSI K. NIEMELÄ

see me walk and stop down the hall
shaking like a tiny bird in the mall
you know why you can see me there
i try hard not to care

i hit the city it cost me a grand
new shoes from the second hand
any time or somewhere soon
i just might find a lonely moon

oo tell me that it's true
oo that all i want is you

a runaway train across the land
next stop somewhere in france
no wine no time to lose
gotta steal some flowers soon

i take a cab in another land
they say you ride with an awesome band
somewhere someday soon
hot summer day afternoon

oo tell me that it's true
oo that all i want is you

NO SUNSHINE SONG

MUSIC PK KERÄNEN, LEIJA LAUTAMAJA
LYRICS PK KERÄNEN, LEIJA LAUTAMAJA, JUSSI K. NIEMELÄ

night time the right time
eyes wide in the darkness
no sunshine around me
just me in my nest

night time the right time
see me having great time
ho hoo the wolves too
are howling hello you

early in the morning i try to sing a song
early in the morning i don't care if it goes wrong
hazy in the sun i don't know who who i am
later in the night i know i'll understand

night time the right time
living by my own book baby
full moon above me
high five my old friend

night time the right time
you sleep it's me time
no phone calls no heartaches
just me and myself

early in the morning i try to sing a song...

1000 PAPER BIRDS

MUSIC PK KERÄNEN, LEIJA LAUTAMAJA
LYRICS PK KERÄNEN, LEIJA LAUTAMAJA

my time with you i can tell you was too short
how evil is the life life with its minor chords
friday rain and my blue myrtle
i couldn't make it to the funeral

it took me a while to learn the crane
later started the memory lane
how you often wore my shirt
how hopeful were our last ever words

one thousand paper birds i made for you
one thousand paper birds to get me through
one thousand paper i hope you see
you were made for me

i don't really mind if i'm lost or found
i don't really mind if i give up the ghost
they tell you a sinner but i don't care
they tell you a sinner i hope you're well

bye bye my sweet love x3
see you on the other side

SPACE BOY

FI-9PF-25-00062

MUSIC PK KERÄNEN, LEIJA LAUTAMAJA
LYRICS PK KERÄNEN, LEIJA LAUTAMAJA

for years and years i built a steady wall
until i saw a shooting star to fall
she took me for a ride through universe
she was iron knew exactly where to turn

she's lived for million years so I took advice
one way is to follow the rules from outside
some are able to and some die
the others march to their heartbeat and fight

she made me space boy
gave me a map of orbits
still i tremble
inside my space suit
but I fix my spaceship and keep going on
i'm a space boy searching for my orbit till i die

how did she always know which way to choose
i still doubt and ship runs out of juice
but galaxies are back to colorful
before i turn to dust i must go on

she made me space boy...

BIG SILENCE

MUSIC PK KERÄNEN, LEIJA LAUTAMAJA
LYRICS PK KERÄNEN, LEIJA LAUTAMAJA

he was a sweet old man
often saw him on the street
more often i could hear his singing sweet

he was an ordinary man
taking care of the apple trees
and always i could see he was at ease

please tell me all is good and nothing's wrong
big silence keeps on banging on my door

he made me feel seen
was never gone for more than week
now the only thing i hear is my heartbeat

i guess he was quite shy
never said me more than hi
but i always knew when he was low or high

please tell me all is good and nothing's wrong
big silence keeps on banging on my door
from the morning till the dawn
he was with me through the walls
big silence keeps on banging on my door

please tell me all is good and nothing's wrong
big silence keeps on banging on my door
from the morning till the dawn
i could hear his lonely waltz
big silence keeps on banging on my door

UNDERWEAR

MUSIC PK KERÄNEN, LEIJA LAUTAMAJA
LYRICS PK KERÄNEN, LEIJA LAUTAMAJA

she don't like my underwear

storm and rain and hurricanes
invaders from outer space
oceans race and jungles burn i should care i should care
but tell me where's my underwear

she don't like my underwear

bedroom's clothing hurricane
and she's gone for the day
hoodies t-shirts hats and socks not enough, not enough
but tell me where's my underwear

she's cool like a flower in the northern snow
(she don't like my underwear)
she's the only one i wanna love
(she don't like my underwear)
tell me baby what to do (you don't like my underwear)
my heart is on fire and I'm feeling blue
(she don't like my underwear)

she don't like my...
she's the only one i wanna love

she don't like my underwear

KING SIZE BED

MUSIC PK KERÄNEN, LEIJA LAUTAMAJA
LYRICS PK KERÄNEN, LEIJA LAUTAMAJA

i've got a king size bed
just had it when you left
my morning's bread
tastes like a stone or death

white noise in my brain
star lights on your trail
you are flying free like a bird
where nothing's gonna hurt

on sunday i'm singing in a church
on monday i do my body work
on tuesday having strawberry dates
i'm wearing all red to fill the king size bed

left with the king size bed
soft like a spider's net
it's yelling and yelling and telling the news
about your grand new moves

smell of love making mess in the king size bed
too many cigarettes
finally i lay down my head
now I know why you left

on sunday i'm singing in a church...
